Shipping Instructions

1. Pack your gold or diamonds securely in a manilla envelope or cardboard box. When packing, we suggest small ziplock bags or some sort of wrap (silver foil, etc) before inserting in the box or manilla envelope.
2. Fill out and sign this inventory record completely. Keep one copy for your records and enclose one copy in package.
3. Ship via United States Postal Service by using our complimentary USPS mailing label, which you may print off your computer. This method automatically insures packages for up to $1,000. Please include your return address on package.

Please remember your payment and service will be excellent
